

Gori More

Serbia

Words (transliterated)	Translation
Nebo nek nas veže, večnim lancem sreče. Nek ne bude nikad kako srce nece.	May the sky tie us with an eternal chain of happiness. May it never be the way that the heart doesn't want it.
<i>Chorus:</i> Gori more, tope se planine, ot lepote tvoje i tvoje blizine.	<i>Chorus:</i> The sea is on fire, the mountains are melting From your beauty and your closeness.
Nosice nas veruj, zauvek na duši, onaj ko poželi ljubav da nam sruši.	Believe me, anyone who tries to tear down our love will forever carry us on their soul.
<i>Chorus</i>	<i>Chorus</i>
Iz ljubavi ove rodiče se duga, da obasja redom i sva srca druga.	Out of love a rainbow will be born to light up all other hearts, one by one.
